Data Science Session 3 Practice

Class Exercises

1. Vector practice
2. Matrix practice
3. Covid 19 data exploration
4. Text vectorisation

Mini Project

Store some text in three files:

- two of text - A and B - must be created by the same author - X;
- the third text - C - is created by another author - Y.

Create a program to compare:

- A and B
- A and C
- B and C

and to recognize the authors of each
